Guest Speaker: Gale Sayers

Pride, poise, leadership, dedication and loyalty are all traits exhibited by NFL Hall of Famer Gale Sayers. Following an incredible football career with the Chicago Bears, Sayers began another successful career in business following the same principles he used on the field. Sayers personally and professionally devotes a great deal of time supporting, fundraising, and speaking on behalf of many organizations. Sayers has authored an instructional publication on the fundamentals of football's offensive strategies called *Offensive Football*. In addition, his autobiography, *I Am Third*, was produced into an award-winning television movie, *Brian's Song*. The movie featured the special personal and professional relationship between Sayers and his cancer-stricken teammate, Brian Piccolo. In October, 2007 a new book was released called, *Gale Sayers, My Life and Times*.
